TEXT OF AMENDMENTS

SA 534. Mr. RUBIO submitted an amendment intended to be proposed by him to the bill S. 1323, to express the sense of the Senate on shared sacrifice in resolving the budget deficit; which was ordered to lie on the table; as follows:

At the end, add the following:

SEC. _ . SENSE OF THE SENATE THAT INCREASED REVENUE SHOULD COME FROM NEW TAXPAYERS, NOT NEW TAXES.

- (a) FINDINGS.
- (1) According to the Bureau of Labor Statistics, the national unemployment rate is 9.2 percent and 25 million Americans are unemployed or underemployed.
- (2) According to the Congressional Budget Office—
- (A) the historical burden of government spending is 20.6 percent of Gross Domestic Product:
- (B) government spending is currently above 24 percent of Gross Domestic Product;
- (C) tax revenues have historically averaged between 18 and 19 percent of Gross Domestic Product regardless of how high the top marginal tax rate is; and
- (D) tax revenues are projected to reach 18.4 percent in 2021 without tax increases.

- (b) SENSE OF THE SENATE.—It is the sense of the Senate that—
- (1) Washington has a spending problem, not a revenue problem;
- (2) raising taxes on our fragile economy will neither create jobs nor generate significant revenue for debt reduction;
- (3) increased tax revenue should come from economic growth that creates new tax-payers, not new taxes, and such revenue increases should be dedicated to reducing the national debt:
- (4) to boost the economy and reduce our Nation's unsustainable debt in the process, Congress should pursue comprehensive tax reform in lieu of tax increases that—
- (A) simplifies the tax code and sharply reduces marginal tax rates for individuals, families, and businesses:
 - (B) broadens the tax base:
- (C) ends punitive double taxation of savings and investment; and
- (D) does not impose a net tax increase on the American economy.

SA 535. Mr. WHITEHOUSE (for himself, Mr. Blumenthal, Mr. Sanders, Mr. Franken, Mr. Brown of Ohio, and Mr. Merkley) submitted an amendment intended to be proposed by him to the bill S. 1323, to express the sense of the Senate on shared sacrifice in resolving the budget deficit; which was ordered to lie on the table; as follows:

At the end, add the following:

SEC. ___. SENSE OF THE SENATE ON PROTECTING SOCIAL SECURITY AND MEDICARE.

(a) FINDINGS.-

(1) Over 34,000,000 retired workers currently receive Social Security benefits in amounts that average a modest \$14,100 a year.

- (2) In 2008, 23 percent of retired workers receiving Social Security benefits depended on those benefits for all or almost all of their income.
- (3) According to AARP, Social Security benefits kept 36 percent of seniors out of poverty in 2008.
- (4) Reducing Social Security benefits would cause many seniors to have to choose between food, drugs, rent, and heat.
- (5) Ninety-five percent of seniors in the United States, who numbered almost 37,000,000 in 2008, got their health care coverage through the Medicare program.
- (6) Without Medicare benefits, seniors, many of whom live off of Social Security benefits, would have to turn to the costly and uncertain private market for health care coverage.
- (7) The Social Security program and the Medicare program are extremely successful social insurance programs that permit seniors in America to retire with dignity and security after a lifetime of hard work.
- (8) The Social Security program and the Medicare program help relieve young American families from worry about their own futures, allowing freedom of opportunity in America.
- (b) SENSE OF THE SENATE.—It is the sense of the Senate that any agreement to reduce the budget deficit should not include cuts to Social Security benefits or Medicare benefits
- SA 536. Mrs. HUTCHISON submitted an amendment intended to be proposed by her to the bill S. 1323, to express the sense of the Senate on shared sacrifice in resolving the budget deficit; which was ordered to lie on the table; as follows:

At the end, add the following:
